

- : On/Off Switch
- : Input/Output
- ⊙ : Ferrite Ring Resonator
- : Microstrip Line (Transformer)

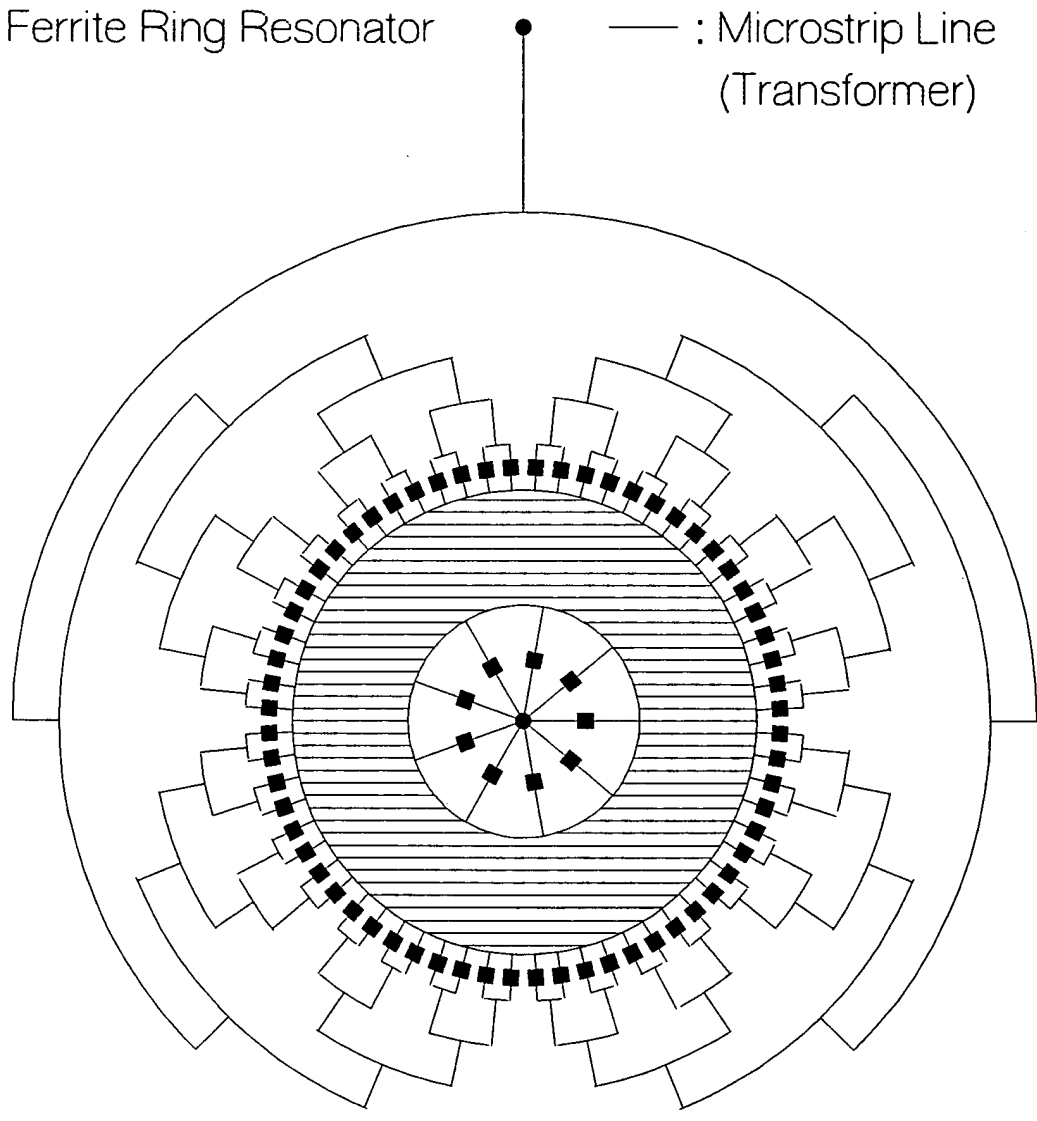

FIG. 1

- : One-Pole Double-Throw Switch      ● : Input/Output
- ⊙ : Ferrite Disk Resonator      — : Microstrip/Transformer
- : On-Off Switch      ..... : Transmission Line (On Back of Ground Plane)
- ⦿ : Penetration Terminal

FIG. 2

- : Single-Pole Double-Throw Switch
- ⊙ : Ferrite Ring Resonator
- ⊗ : 1 pole-M Throw Switch + Input/Output
- : Input/Output
- : Microstrip Line (Transformer)

FIG. 3

FIG. 4

- : Single-Pole Double-Throw Switch      • : Input/Output
- ⊙ : Dielectric Ring Resonator      ▲ : Special Switch
- : 1 pole-M Throw Switch + Input/Output      — : Microstrip Line (Transformer)

FIG. 5

- : Single-Pole Double-Throw Switch      • : Input/Output
- ⊙ : Dielectric Ring Resonator      ▲ : Special Switch
- : 1 pole-M Throw Switch + Input/Output      — : Microstrip Line (Transformer)

FIG. 6
